Updates to this Match Schedule will be printed and mailed to Team Captains on The Cleveland Darter Club Weekly Standings Sheet, normally mailed every Friday evening during League play. Questions should be directed to the Captain first; if he/she is not aware of a problem, you need to make him aware.

In case of inclement weather:

F. Postponements

- The league director absolutely will not recognize the inability to field a full team on the regularly scheduled match date as a valid cause for postponement. If both captains agree, a match can be postponed. A **make-up match date must be agreed upon and notice given to the CDC, within 8 days after the originally scheduled match date. Matches may be played ahead of schedule if both Captains agree. If playing a match before the scheduled date, write the scheduled match date on the match ScoreSheet.**

For more information on postponing a Match, please refer to Page 5 of your League Rules.

Roster Changes, Adding Players:

E. Adding or Removing Players

- All **Requests** to add eligible players to your Roster must be received on a current **CDC Add-A-Player** form at The Cleveland Darter Club Office by 6:00 PM of the 2nd weekday following your match. Requests will not be accepted until after the Captain's Folder pick-up.

Players requested to be added will not be eligible for play UNTIL their name(s) appear on the Captain's Weekly Standings Sheet mailing label. For more information on adding players, please refer to Page 5 of your League Rules and/or instruction on the yellow Add-A-Player form in the Team Folder.
